

EVANGELIZATION BASED STRATEGIC PASTORAL PLAN 2021

DIVINE MERCY PARISH

THE CHURCHES OF ST. ANN, ST. JOSEPH, ST. MICHAEL, ST. PETER

Our Vision

*Divine Mercy Parish celebrates and shares the love and mercy of God with all through our worship and our welcome,
And by living our discipleship in compassionate and life-giving service.*

Our Mission

To make God's mercy present to all by welcoming, loving, and leading.

The Planning Process

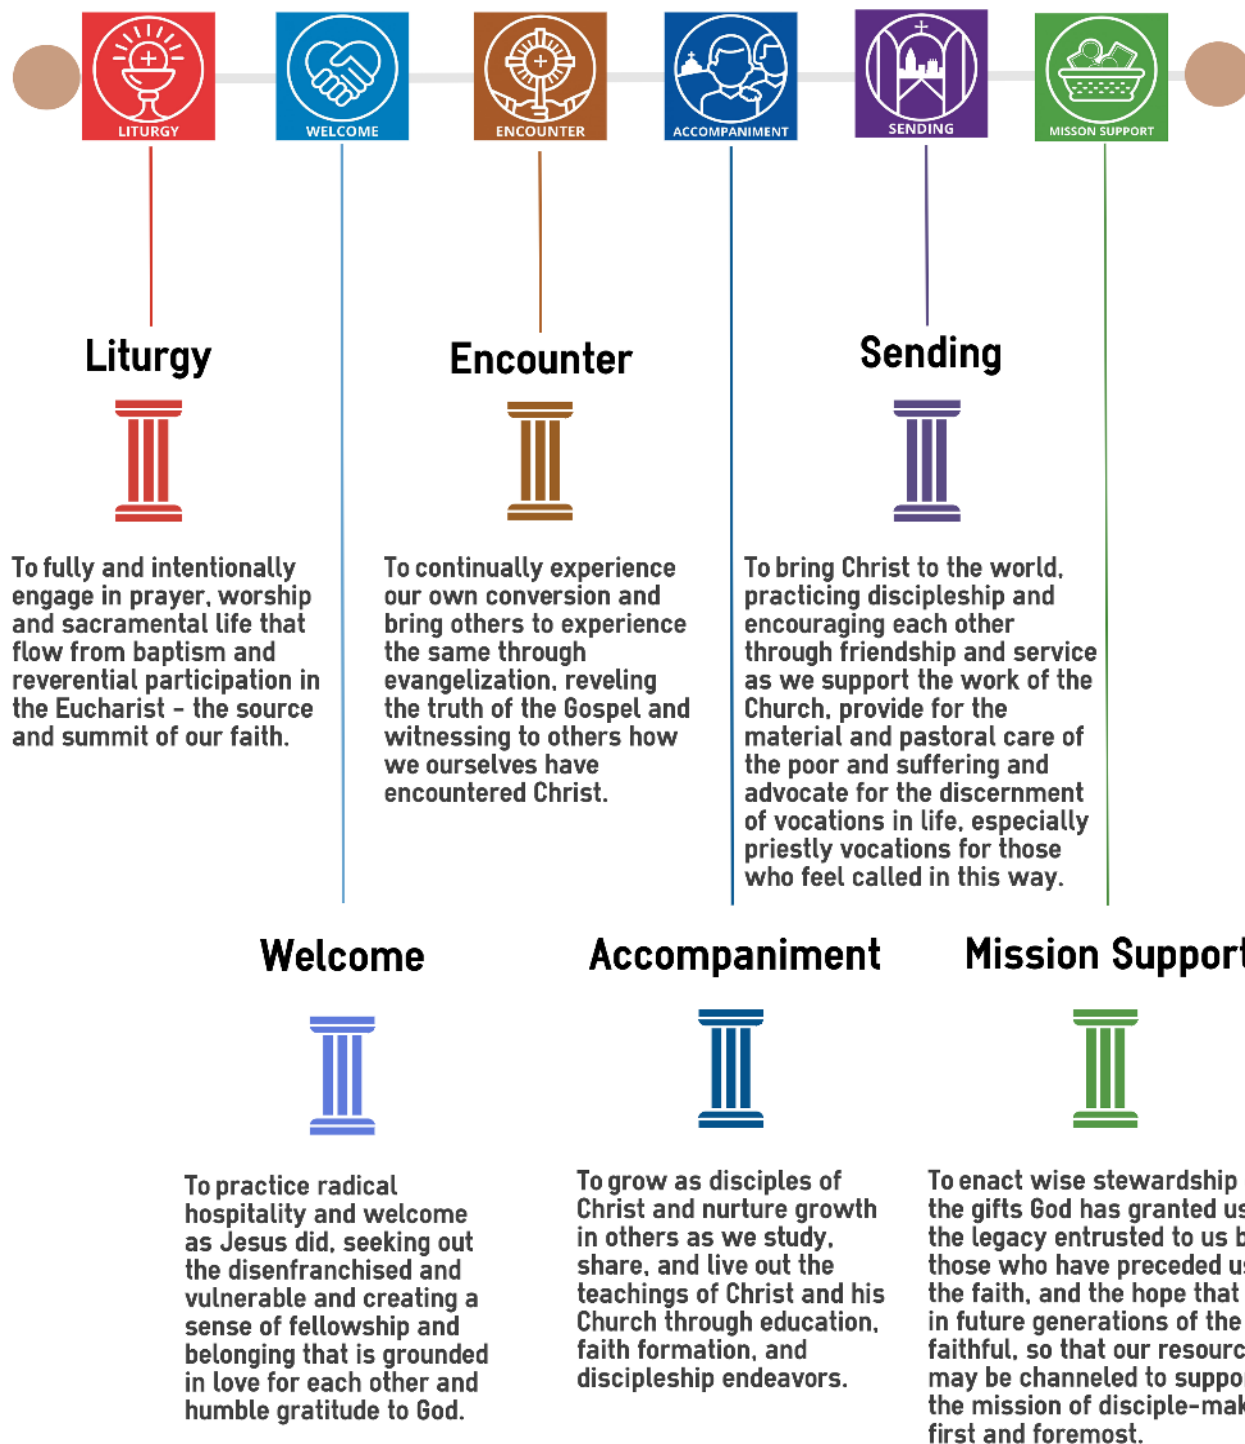

The pastoral planning team began meeting in the Fall of 2018. They spent time looking at the community demographics and the changes that the area is experiencing. They came up with five target groups: young adults (working and in college), middle aged, seniors, and baptized but not attending former Catholics. They used these target groups to formulate the critical success factors, barriers and strategies for the plan.

The pandemic has heightened the need to bring our parish closer together, to reach out to our neighbors in need and to connect with one another so that we can grow in faith. The key initiatives that the team and leadership at Divine Mercy have discerned include:

- **Liturgy**—We want to create a consistent and inspiring liturgy at all four of our worship sites by amplifying good liturgical practices and standardizing our liturgical practices. One key outcome of this initiative is to have a Liturgical committee to oversee this process, formation for liturgical ministers and a focus on our music.
- **Welcome**—Every parishioner has a role to welcome newcomers. We want to increase our welcoming presence to all who come to us in person or virtually through our communications. We want to make sure that young adults, whether in our community or at Frostburg State Campus are invited to belong and share their gifts
- **Accompaniment**—We want to create small faith sharing groups in our parish so that we can accompany one another in our faith journey. We also want to strengthen our outreach, to reach out to those in need and those who are isolated, especially during this pandemic.
- **Sending**—Our parishioners have many gifts and talents, and we know that God has provided our parish with all the gifts we need to advance the mission of making disciples in our community. We want to strengthen the discernment of gifts so that we can match people to ministries that allow them to live into these gifts, as well as formation and feedback so that we can all continue to grow in our journey of faith.
- **Encounter & Mission Support**—Communication is key to our evangelization efforts. We will focus on a comprehensive communication plan so that our mission and vision can be shared with all.

Our Goals

Our core mission priorities/goals recast the focus of our efforts, so that we are forming ourselves and others into disciples who are “mission-ready” and actively engaged in personal and pastoral missionary conversion. They correspond to a path of discipleship that flows from and continually returns to the Eucharist as a means to grow ever closer to Christ. They also embody the hallmarks of an evangelizing, mission-focused parish.
