

**Decree Of Canonical Parish Merger**  
**St. Gregory the Great Parish**  
**St. Bernardine Parish**  
**Effective December 1, 2024**

Beginning in September of 2022, I initiated an extensive process of listening, visioning and discernment regarding the future of this parish and others in the City of Baltimore and the surrounding areas. The general public, parish leadership and individual parishioners were invited to attend a series of public meetings to advise me on the best future for these parishes. More than 6,000 persons participated in the two-year process. An initial proposal for reconfiguration that was prepared by 250 lay and clergy leaders was made public in March of 2024. Two public meetings were held after this announcement to receive feedback from individual parishes and individual parishioners regarding the initial proposal. All have also been given the opportunity to provide their views to me by mail, email or individually throughout the process.

In regard to the proposed merger of St. Gregory the Great parish and St. Bernardine parish, the members of St. Gregory the Great parish participated in three visioning sessions and attended three open, prayerful discernments, including one for Black Catholics, regarding the future of the parish. Meetings were also held with parish leadership from both parishes before a final decision was made. After additional changes were made based on the feedback received from that process, the final proposal was made public on May 22, 2024.

The Presbyteral Council and Archdiocesan Finance Council (BOFA) were asked for feedback on both the initial proposal in April 2024 and the final proposal in May 2024 for the above-referenced merger prior to their final canonical review of the proposed plan. In accordance with canons 50, 120 §1, 121 and the requirements of canon 515 §2, the proposal to canonically merge St. Gregory the Great parish into St. Bernardine parish was formally presented to the Presbyteral Council on September 3, 2024, for the

required canonical consultation. After reviewing and discussing the materials related to the canonical merger, the members gave their unanimous support to the proposal.

The following facts regarding St. Gregory the Great parish constitute reasons, in summary, for the canonical merger of St. Gregory the Great parish into St. Bernardine parish (canon 51):

- The number of persons residing within St. Gregory the Great parish boundaries has declined by 16% since 2000;
- The number of Catholic households registered within the boundaries of St. Gregory the Great parish has declined from 295 in 2004 to 98 in 2019;
- Only 25 of those Catholic households are registered in St. Gregory the Great parish;
- The number of persons attending Mass at St. Gregory the Great parish each week has declined from 177 in 2004 to 47 in 2023;
- There have been 4 baptisms, 6 confirmations and 28 funerals at the parish in the past 10 years;
- The parish has had an operational deficit for 13 of the last 20 years;
- The parish is experiencing an increase in both costs of facilities and unpaid bills;
- The parish would need over 1.3 times its current offertory to meet the cost of buildings operations and annual recommended facilities reserve, leaving few funds available for ministry;
- St. Gregory the Great parish and St. Bernadine parish share a unique history and culture;
- St. Bernadine parish is able to accommodate the parishioners and ministries of St. Gregory the Great parish;
- St. Gregory the Great parish is 2.9 miles (4.6 kilometers) from St. Bernadine parish; and
- There are 12 parishes within 2 miles of St. Gregory the Great parish;

From these facts, considered as whole, it is my opinion that left to itself, St. Gregory the Great parish will only continue to decline with the resultant diminishing of pastoral ministry and sacramental life. Merging with St. Bernardine parish will allow the greatest opportunity to continue and even strengthen the ministries which are presently offered for the parishioners of St. Gregory the Great parish.

Having heard all who have an interest in this matter, including the opinion of the members of the Presbyteral Council who were properly convened according to law and voted on this matter in my presence, I believe the reasons listed above in this decree establish a just cause for the canonical merger of the St. Gregory the Great parish into St. Bernardine parish. As a result, I do hereby decree that St. Gregory the Great parish is to be canonically merged into St. Bernardine parish, Baltimore, effective December 1, 2024.

## **Boundaries**

The boundaries of St. Bernardine parish shall reflect the current outside boundaries of the two parishes as of the date of the canonical merger.

## **Assets and Liabilities**

Until the issuance of a subsequent decree, the temporal goods, assets, and liabilities under civil law of the civilly incorporated St. Gregory the Great parish and the civilly incorporated St. Bernardine parish, all under the canonical administration of the pastor of St. Bernardine parish, shall nonetheless remain separate and distinct. Furthermore, I order the sequestration *pro tempore* of the temporal goods and assets of each civil corporation for the exclusive use of meeting the debts and liabilities of their respective civil corporations (cf. can. 1496 §1).

## **Status of Churches**

While St. Gregory the Great Church remains a sacred edifice to which the faithful have the right of entry under canon 1214, it now becomes a subsidiary church of St. Bernardine parish, with permission to reserve the Blessed Sacrament there (cf. can. 934 §1, 2<sup>o</sup>) and with the pastor being responsible for the reserved Eucharist (cf. can. 934 §2). St. Bernardine Church will remain the parish church for the canonically merged parishes.

## **Sacramental Registers and Other Parish Records**

The parish registers for St. Gregory the Great parish are to be closed as of November 30, 2024. Any entries after that date in the registries of St. Bernardine parish must indicate at which church the sacramental event took place. All closed registers shall be kept and maintained by St. Bernardine parish or sent to the Archdiocesan Archives in accordance with Archdiocesan policy. The parish records (financial, etc.) of St. Gregory the Great parish will become the property and responsibility of St. Bernardine parish on December 1, 2024.

## **Parish Seal**

All parish seals shall be the property of St. Bernardine parish beginning December 1, 2024.
