

**Decree Of Canonical Parish Merger
St. Pius X Parish
Cathedral of Mary Our Queen Parish
Effective December 1, 2024**

Beginning in September of 2022, I initiated an extensive process of listening, visioning and discernment regarding the future of this parish and others in the City of Baltimore and the surrounding areas. The general public, parish leadership and individual parishioners were invited to attend a series of public meetings to advise me on the best future for these parishes. More than 6,000 persons participated in the two-year process. An initial proposal for reconfiguration that was prepared by 250 lay and clergy leaders was made public in March of 2024. Two public meetings were held after this announcement to receive feedback from individual parishes and individual parishioners regarding the initial proposal. All have also been given the opportunity to provide their views to me by mail, email or individually throughout the process.

In regard to the proposed merger of St. Pius X parish and Cathedral of Mary Our Queen parish, members of St. Pius X parish participated in the discernment of its future through completing a survey, holding listening sessions on site of the parish, attending open prayerful discussions and three visioning sessions. Multiple meetings were also held with parish leadership from both parishes before a final decision was made. After additional changes were made based on the feedback received from that process, the final proposal was made public on May 22, 2024.

The Presbyteral Council and Archdiocesan Finance Council (BOFA) were asked for feedback on both the initial proposal in April 2024 and final proposal in May 2024 for the above-referenced merger prior to their final canonical review of the proposed plan. In accordance with canons 50, 120 §1, 121 and the requirements of canon 515 §2, the proposal to canonically merge St. Pius X parish into Cathedral of Mary Our Queen parish was formally presented to the Presbyteral Council on September 3, 2024 for the required canonical consultation. After reviewing and discussing the materials related to the canonical merger, the members gave their support to the proposal.

The following facts regarding St. Pius X parish constitutes the reasons in summary for the canonical merger of St. Pius X parish into Cathedral of Mary Our Queen parish (canon 51):

- The number of Catholic households in the parish have declined from 1270 in 2000 to 872 in 2023;
- The number of parishioners attending Mass has declined from 1089 in 2004 to 193 in 2023;
- The number of persons receiving sacraments has declined from 42 baptisms in 2014 to 22 baptisms in 2023;
- The number of Confirmations has decreased from 32 in 2014 to 12 in 2023;
- The parish has experienced an operating deficit for 13 of the last 20 years despite sharing expenses for a pastor and staff with St. Mary of the Assumption parish since 2016;
- The last of the parish operating funds will be exhausted as of October 31, 2024;
- The parish is experiencing an increase in both costs of facilities and unpaid bills indicating an inability to cover all expenses;
- The parish needs all of their current offertory to meet the costs of building operations and to provide for the annual recommended facilities reserve, so there are no funds available for ministry;
- There are 4 other parish church within 2 miles of this parish;
- The parish is 2 miles (1.8 kilometers) from the Cathedral of Mary Our Queen parish; and
- The Cathedral of Mary Our Queen parish has sufficient space to accommodate the parishioners and ministries of St. Pius X parish.

From these facts considered as whole, it is my opinion that left to itself, St. Pius X parish is already unable to provide a satisfactory level of pastoral ministry and sacramental life. Merging with Cathedral of Mary Our Queen parish will allow the greatest opportunity to continue providing necessary ministries for the parishioners of St. Pius X parish.

Having heard all who have an interest in this matter, including the opinion of the members of the Presbyteral Council who were properly convened according to law and voted on this matter in my presence, I believe the reasons listed above in this decree establish a just cause for the canonical merger of the St. Pius X parish into Cathedral of Mary Our Queen parish. As a result, I do hereby decree that St. Pius X parish is to be canonically merged into Cathedral of Mary Our Queen parish, Baltimore effective December 1, 2024.
