

DISCIPLEMAKERS

PARISH LEADER WEBINARS

Each date will offer identical sessions at both noon and 7pm.

Centering families in faith formation will create a context for parents and kids to encounter and respond to the Lord together, and it can be as simple as making a few tweaks to the methods we are already using. Join the Enkindle Catholic team for three short, virtual coaching sessions to brainstorm ways to implement the Method of Jesus as we move toward a model of family faith formation in the Archdiocese of Baltimore.

November 20, 2024: Connect - As we offer parents and kids more opportunities for community building and meaningful service, intentionally “wasting time” with the families we serve can lead to powerful opportunities for conversion.

January 15, 2024: Captivate - Jesus captivates our hearts through beautiful experiences of prayer and liturgy. We can facilitate these moments of encounter and response for the families we serve by creating environments for prayer that inspire wonder and awe.

March 19, 2024: Catechize - Jesus often helped his followers understand and experience his love and mercy by using objects and situations that were familiar to them. With a little practice telling parables, we can inform and inspire families in a formal catechesis setting, too.
